

# Endurocide® Detergent Wipes

Water based detergent  
wipes suitable for use...

- On all hospital surfaces
- As damp dusting wipes
- For pre-cleaning contaminated items prior to disinfection

Endurocide® Detergent Wipes are multi-purpose, water-based detergent wipes, designed for the everyday cleaning and damp dusting of surfaces, equipment and furniture.

## The Facts!

- Alcohol free
- Disinfectant free
- Chlorine free
- Fragrance free
- pH neutral
- Biodegradable formula

Now our Detergent Wipes can be used for everyday Sporicidal Disinfection - simply use with Rapid 6 Foam!

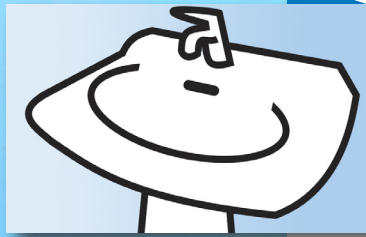

# Where to use

Suitable for use on all hard surfaces such as...

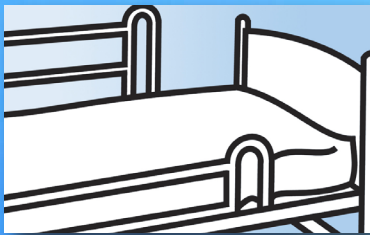

Toilets

Sinks & Taps

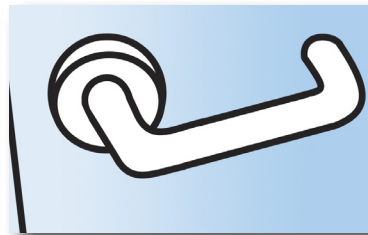

Commodes

Bed frames & mattresses

Dressing trolleys

Door handles

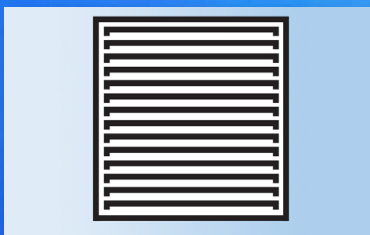

Walls & floors

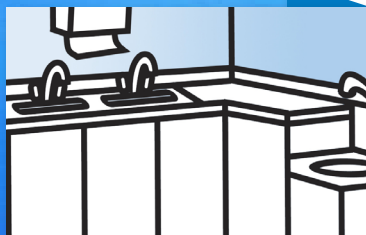

Steel gurneys

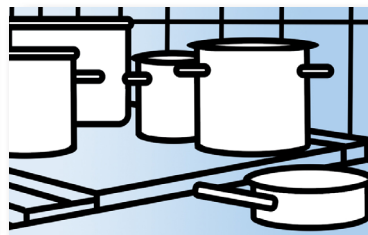

Workspaces

Ventilation grills

Sluice rooms

Kitchens & cold stores

Endurocide® Detergent Wipes are ready to use and require no special handling or storage methods.

- When using Endurocide® Detergent Wipes in combination with Rapid 6 Foam, apply 2 or 3 pumps of foam across the surface before using wipes.
- Wipe surface.
- Leave to dry naturally.
- Close lid after use.

## How to use
